Testimonials

The building is a state-of-the-art winery with a VIP reception center. Despite the challenges inherent to working in a remote area on a unique type of industrial process, the winery has been delivered in time, as per Moët Hennessy quality standards. Srrinidhi Enterprises also demonstrated the indispensable attention to safety on site. I would recommend them as a trustworthy partner.

Bruno Yvon
Managing Director
MOËT HENNESSY

The quality of workmanship, the disciplined adherence to timelines and a flawless project delivery were the highlights of Wani Projects' excellent and efficient handling of our project. Their professional approach and keen attention to detail at every stage of the process are not only praiseworthy, but also deserve to be noted as their key strengths. We are very happy with their project delivery and highly recommend them as reliable partners for industrial construction of any scale.

Chairman
SAKAL PAPERS

ANI was appointed as Civil and PEB Contractor for constructing our winery at Dindori. A state-of-the-art winery plant spread over 17 acres, comprising Industrial Building, VIP Reception Centre, Utilities and Infrastructure was completed by WANI in record time as per Moët Hennessy quality and safety standards. We recommend them as a trustworthy partner.
